### LIABILITY STATEMENT

ABF Fabrication accessories are engineered to best fit customer ATV/UTV's in stock condition. cutting, grinding, or modifying any original, or aftermarket, accessories will void any warranty offered by ABF fabrication and is not suggested. ABF Fabrication accessories could have fitment issues with other aftermarket accessories. If Customer has aftermarket accessories on vehicle, contact ABF Fabrication to ensure that all accessories will be compatible.

Customer should be aware that installing suspension accessories, wheels and tires, axles or other components may change the behavior of the vehicle and may require more frequent maintenance and part wear. Operating any off-road vehicle while, or after, consuming alcohol and/or drugs increases risk of bodily harm or death. No warranty or representation is made as to this accessories ability to protect customer from severe injury or death. ABF Fabrication urges operators and passengers to always wear a helmet and appropriate riding gear.

By purchasing and installing ABF Fabrication accessories, customer agrees that should any damages occur, ABF Fabrication will not be held responsible for repair fees, replacement parts, and shipping costs. ABF Fabrication, nor any 3rd party, will not be held responsible for any direct, indirect, incidental, special, or consequential damages that result from any accessories purchased from ABF Fabrication. The total liability of ABF Fabrication to customer for all damages, losses, and causes of action, if any, is not to exceed the total purchase price paid for the accessories that gave rise to the claim.

ABF Fabrication will warranty only accessories purchased from ABF Fabrication. Any damages or issues arising with OEM parts or other manufacturers accessories will not be covered by ABF Fabrication. ABF Fabrication accessories are not warranted if accessory was installed incorrectly, misused, or changed in any way.

## Installation

1. Open the top of the glove box and remove the glove box tray. Be sure to remove the USB cable from the tray as well.
2. **IF AFTERMARKET CAGE IS INSTALLED..** Removing the Glove box tray will be much more difficult. You will need to push the door open as far as possible, and then pull the tray out. Pushing up on the latch at the front and pulling down on the tray to squeeze it out.
3. **IF AFTERMARKET CAGE IS INSTALLED..** The easiest way to remove the door is to take TIN snips and cut the OEM bracket arms.
4. Remove the two T25 screws that attach the hinge bracket to the dash, and remove the glove box door hinge. **FIG 1.**
5. Remove the OEM Polaris hinge bracket and replace with the Pro Armor Bracket. **FIG 2.**
6. Re-install the glove box door by slipping the tabs of the new hinge into the dash and then latching the latch.

**FIG 1**

**FIG 2**
